

November 2020

Attention: Mr Ismail Boolay at Retro Active

Dear Mr Boolay,

Thank you for your generous facemask donation to the Jakes Gerwel Technical School. We received the masks on Tuesday 24th November 2020. We are grateful for your support.

Our aim is to keep our children as safe as possible and with this donation we are a step closer to our goal. Each learner has received a new mask and we will distribute some of the masks within our community as well.

Again, we want to thank everyone who stepped up in this time of great need to support and protect our community.

Stay well. Stay safe.

Regards
JGT Learners
