Dear Mr & Mrs Boolay

Thank you for your generous donation of masks.

Your donation was given to our Nursing Department, who distributed them to our patients. The patients were very excited to receive the cloth masks for their personal use and have asked that we express their gratitude to you.

By issuing each patient with a cloth mask, we are able to ensure that they are protected from possible exposure to COVID-19.

Once again I would like to express our appreciation for your donation.
